Riptides™

Clear Rice Protein-Neutral taste

INTRODUCTION

Riptides™, Clear Rice protein, Hydrolyzed rice protein, also called Instant rice protein, water-soluble rice protein.

UNIQUE FEATURES

Neutral taste and smell

Super light color

Auxiliary hypotensive action.

Whitening, moisturizing, skin care effect.

Reasonable amino acid ratio, ideal for WHO&FAO recommendations

Adjust immunity.

Super fast 100% Solubility, stability under heat, acid/alkali condition.

Fast Absorption

Application

WATER SOLUBLE RICE PROTEIN

- 1) Special medical foods
- 2) Health food ingredients
- 3) For cosmetics, whitening, moisturizing, skin care
- 4) Bakery food, cookie

Riptides™ Clear Rice Protein

PeaPro™

Pea protein 80%

UNIQUE ADVANTAGES

No bean taste, more smooth taste

Good solubility than competitors

100% Vacuum package

PEA
PROTEIN
series

Peatides™

Clear Pea Protein-Neutral taste

INTRODUCTION

Peatides™, Clear Pea protein, Hydrolyzed Pea protein, also called Instant Pea protein, water-soluble Pea protein.

UNIQUE FUNCTIONS

Close to neutral taste, no bitter taste and odor

Close to colorless solution

Regulate the intestinal flora, promote the probiotic growth

Anti-inflammatory effect

Immunomodulating function

Antibacterial activity

Rich amino acid, Fast Absorption

100% Solubility, Super Stability

Peatides™ Clear Pea Protein

Application

Sports Nutrition Food

fast recovery,maximizing nutrient delivery to muscle tissues.

Intestinal Regulation Food

promote the growth of probiotics and balance the intestinal flora

Immunomodulatory Function Food

Antibacterial and anti-inflammatory effect
Enhance the body immunity.

Munptein™

Mung bean protein 80%

About us

PEOPLE

Mostly master/
bachelor degree

SPECIALITY

Focus on Innovation
and improvement of
unique plant protein
for food and beverage
industry

MARKET

US, Canada, Europe,
Australia, Korea

Manufacturing

After ETprotein's new technology is validated, Our holding factory commercializes these plant protein production.

State of art manufacturing facility, certified by HACCP, Organic, Kosher, Halal.

Our shipment

PACKAGE

20kg per bag

PALLET

25-30 bags/pallet
500kg-600kg/pallet

CONTAINER

20feet: 10-12 MT
40feet: 20-24 MT
